**TEACHER AIDE/
CHILD DEVELOPMENT/
SPECIAL EDUCATION
PROGRAMS**

Our comprehensive career education programs award short-term certificates and an Associate Degree of Applied Science, as well as preparing you for transfer to four-year colleges and universities. Early Childhood, Teacher Aide, and Special Education Programs combine hands-on application and classroom experience using up-to-date curriculum, texts and new sources for field work. Two semester internships also provide students with valuable practical field experience.

SSC prepares you for a job in the fast growing, high demand professions of Early Childhood and Education. Many job opportunities exist within the broad based child care profession. These programs prepare you for a career in Child Care-both in home and day care centers;

Elementary and Secondary Education. A transfer track in education is available for students who desire to transfer to four-year colleges and universities (articulation agreements with Governors State University, Lewis University, University of St. Francis, and Chicago State University among others colleges and universities in college catalog; refer to pgs. 114-115.)

Admission requirements are detailed in the college catalog and on our website.
