Minimum for AGS Degree _____ 60* _____ SH

*SH = Semester Hours

*Less than 40% of total degree credit hours may be taken in an online format when online courses are available.

Developmental courses do not count towards degree.

The Associate in General Studies Degree is an individualized curriculum designed for students whose course work is not aligned with the requirements of South Suburban College transfer or Applied Science degrees. It is designed for students earning a two year degree for career advancement and personal growth. Not all elective courses at South Suburban College are intended for transfer. It is recommended that students considering this degree meet with a faculty counselor to determine suitability.
