Highway Construction Careers Training Program

The Highway Construction Careers Training Program has been implemented to increase the number of minorities, women, and disadvantaged individuals working on IDOT highway construction projects. The training consists of an intensive 12-week program to learn the skills necessary for acceptance into the highway construction trades and gives the opportunity for a career with high wage potential.

Start Date:

July 17, 2017

Orientation and Assessment Testing:

June 20-22, 2017

Career Opportunities:

- Cement Mason
- Electrician
- Pipefitter
- Carpenter
- Laborer
- Equipment Operator

Requirements:

- Valid driver's license
- 18 years or older
- High School diploma/GED
- Interest working in the Construction Trades

12 Week Free Program!

All orientation and assessment testing will be held at the Oak Forest Center. NOT the main campus. Please see the address below.
