News You Can Use #7

BREAKING NEWS: The OA Committee has developed a plan for General Education assessment where faculty members use a gen. ed. rubric to evaluate students' attainment of that gen. ed. objective in classes where students introduce, develop, and master that gen. ed. objective. Which classes? Departmental program mapping will help in determining this. More details to come this fall, but trust me, this is great news!

Have you developed your plan for assessing a class activity with the use of a rubric this semester? It may just be a matter of

implementing last semester's assessment with a new group of students. Either way, join the ranks of people like Donna Sasnow, Mike Wilson, Herman Stark, Yolanda Urdiales, and Melynie Durham who have already submitted a plan for this spring!
