## **MANUFACTURING WORKSHOP ON BLUEPRINT READING COMING TO SSC'S OAK FOREST CENTER**

SOUTH HOLLAND, IL– The South Suburban College Business & Career Institute (BCI) presents a Workshop titled *Blueprint Reading for Production Operators, Supervisors and Managers* on Thursday, September 29 and again on Friday, November 18 from 8:15 a.m. – 4:15 p.m. This workshop will be held at the South Suburban College *Oak Forest Center* in Room 5230, and will be presented by Albert Lettman, who has extensive experience as a Problem Solver.

If you're searching for training that helps you implement solutions to frequent issues you have, but you face time and cost restraints that prevent you from implementing big training projects, these trainings will narrow down the issues and then provide solutions to your most basic problems. Come to this workshop or schedule with us to customize the training for your company!

### ***Blue Print Reading for Production Operators, Supervisors and Managers***

Overview: This Blueprint Reading workshop is for individuals in need of very basic skill development in dimensioning, tolerances, types of lines, auxiliary views, section views, title block, and symbols. Individual class exercises will provide some practice for participants. This workshop will enable participants to interpret manufacturing drawings.

***About our Presenter:*** Albert Lettman is a facilitator with extensive experience as a Problem Solver. He has over 20 years of experience in Lean principles, ISO 9000/Malcolm Baldrige assessment, Six Sigma and Shainin. He is a certified Shainin journeyman, a Six Sigma Master Black Belt, as well as a Certified Lean facilitator. Together, BCI and Lettman will work with you to find the best operational approach for your company, from the planning stage through implementation stages, using Lean principles that will be best aligned with the strategic direction of your company.

In October, the Business & Career Institute will be offering workshops in Lean Problem Solving and Statistical Process Control for Operators, Supervisor and Managers.

This workshop will be held at South Suburban College's *Oak Forest Center*, 16333 S. Kilbourn Ave., Oak Forest, IL in Room 5230. The cost of the workshop with lunch is \$195 per person. Send three people and the third person is free. To register: Call Nancy Burrows (708) 596-2000, ext. 3258 or by email to [nburrows@ssc.edu](mailto:nburrows@ssc.edu).
