# OFFICE OF THE PRESIDENT SOUTH SUBURBAN COLLEGE SOUTH HOLLAND, ILLINOIS

To: Chairman Frank Zuccarelli From: President Don Manning

Date: April 10, 2017

Reference: Tuition Adjustment

The Administration respectfully requests a \$20 per credit hour tuition adjustment, effective for the Fall 2017 semester. Given the State budget stalemate, we must adjust revenue sources, along with expenditure cutbacks.

Anticipating no State dollars, colleges and universities are being forced to adjust tuition and fees. Governor State University raised their rates by 15% and Prairie State College has indicated that they will have to impose a major rate hike. Other colleges will likely be raising tuition and fees as well.

While other colleges and universities are now engaged in cutbacks, your Board wisely approved a comprehensive rightsizing last year. Non-critical areas and positions were eliminated, low enrolled class sections were collapsed and other measures were taken. We continue to review all areas for cost cutting. If necessary, we will institute another rightsizing.

Currently, only grant-funded positions are being filled and the vacant-position duties are being assumed by staff.

Additionally, we have shrunk the adjunct teaching pool, as enrollment numbers have dropped.

While we continue to control expenditures, new revenues from a tuition adjustment, grants, the bond issue and other sources will be earmarked for student programming. Within the next few years, we will work on the following improvements, in order to enhance the learning environment for our students.

- Upgrade HVAC system for improved comfort levels of students and staff
- Renovate restrooms
- Upgrade parking lot lights for student safety
- Assorted flooring and painting, to enhance classrooms and other spaces
- Build science lab at Oak Forest campus
- Update computer labs, as needed

We continue to provide high-quality programs at a much lower cost than other colleges and universities.

Thank you for your consideration.
