

Setting up your mobile device for SSC Email Access (iPhone)

To setup access to your SSC email on your Apple device:

1. Go to **Settings > Accounts & Passwords** and tap **Add Account**. If you're using iOS 10.3.3 or earlier, go to **Settings > Mail > Accounts** and tap **Add Account**.
2. Tap  **Exchange**
3. Enter your student email (jsmith100@student.ssc.edu) and your password.
4. Mail Server is “**stumail.ssc.edu**”.
5. Domain is “**student**”.
6. Select “**Encrypted SSL Connection**” when prompted
7. Tap **Save**.
