## **SSC FALL OPEN HOUSE A SUCCESS**

SOUTH HOLLAND, IL – South Suburban College hosted its 5th Annual Open House on Thursday, August 2nd from 4:30-7:00 p.m. with something for everyone. There was fun, excitement and a large dose of enthusiasm provided by college staff. The Open House, geared toward providing College information and pathways to successful careers, saw nearly 300 persons come through its doors seeking just that. Many participated in College tours and raffles for Visa Gift Cards, and other giveaways. WGCI and Tone Kapone were also on campus and rounded out the fun.

Program representatives from STEM (Science, Technology, Engineering & Math), Manufacturing, Building and Construction, Paralegal Studies, Court Reporting, Allied Health, SSC Maker Lab, Graphic Arts, Nursing, Applied Engineering, Electronics Engineering, Computer Aided Design (CAD), Job Training, the new Latino Center and many more were on hand to answer questions and guide potential students with program facts and requirements.

Representation from Admissions, Registration, Counseling, Academic Assistance Center and other supportive services assisted our students in navigating their college and career choices. Students received valuable information on the registration process, course selection options, Financial Aid, as well as Student Life. Despite the lingering budget crisis with the State of Illinois, our doors are open and we remain committed to the mission of South Suburban College by “Serving our Students and the Community through lifelong learning.”

Contact the Office of Admissions at (708) 210-5718 for enrollment information. SSC's Main Campus is located at 15800 South State Street, South Holland, Illinois. The Oak Forest Center is located at 16333 South Kilbourn Avenue, Oak Forest, Illinois. Para Información En Español Llame: (708) 210-5740.
