RADIOLOGY TECHNOLOGY APPLICATION

Please print or type when completing this form and return it to:

Department of Allied Health & Career Programs Room 4453 or 4457
South Suburban College, 15800 S. State Street, South Holland, IL 60473

Do not return this application until all steps are complete.

APPLYING FOR TERM SUMMER 20____

Last Name: _____ Maiden: _____ First: _____ MI: _____

Colleague ID Number: _____ Daytime Phone: (____) _____ - _____

Address: _____

City: _____ State: _____ Zip: _____

Email Address: _____

Academic Background

High School Attended: _____ City: _____ State: _____

Date of graduation: _____ (or) Date of GED: _____

School/College/University

Dates Attended

Diploma/Degree Earned

_____	_____	_____
_____	_____	_____
_____	_____	_____

Prerequisites	College	Semester/Year	Grade
BIO 185-Human Anatomy & Physiology I			
ENG 101-Composition and Rhetoric			
FAD 205-Emergency Care and Safety or CPR			
PHY 115-Topics in Applied Physics			
HIT 102-Fundamentals of Medical Terminology			

PLEASE NOTE: All transcripts must be on file in the Admissions & Records area. All information must be on file or your application will not be processed.

(OVER)

Prior to enrolling in the program, students are advised to review the applicable licensure procedures and requirements and state laws of the profession to ensure that they are eligible to receive a license following completion of the program at South Suburban College. You will be subject to a criminal background check and/or drug testing. Eligibility for clinical/licensure may be limited by the results of a criminal background investigation and drug test results.

A photocopy of the student's current health care insurance must be submitted to each respective program coordinator in order to participate at any clinical education site. Failure to maintain comprehensive health care insurance will result in the student being immediately withdrawn from the clinical site and there by receiving a failing grade in the clinical education class. Furthermore, the student will be financially responsible to pay all medical bills and co-payments as a result of injuries or health issues that arise from participation of clinical education programs.

I understand the requirements for admission to the program in regards to course work and residency.

I have completely **COMPLETED all Prerequisites and General Education Requirements.**

DEPARTMENT OF ALLIED HEALTH

TECHNICAL STANDARDS FOR THE RADIOLOGIC TECHNOLOGY PROGRAM

Technical Standards

For admission to and participation in the Radiologic Technology Program, applicants must meet nonacademic technical standards that enable students to engage in educational and training activities that do not endanger them or others. Program technical standards are mailed to applicants along with the program information packet.

Please read the following statements that identify the Technical Standards appropriate to Radiologic Technology and answer the inquiry provided below.

Please read the following statements that identify the Technical Standards appropriate to Radiologic Technology and answer the inquiry provided below.

The Radiologic Technologist must have sufficient strength, motor coordination and manual dexterity to:

1. Transport, move, lift and transfer patients from a wheelchair or cart to an x-ray table or to a patient bed.
1. Move, adjust and manipulate a variety of radiographic equipment, including the physical transport of mobile radiographic machines, in order to arrange and align the equipment with respect to the patient and the image receptor according to established procedure and standards of speed and accuracy.

The Radiologic Technologist must have the mental and intellectual capacity to:

1. Calculate and select proper technical exposure factors according to the individual needs of the patient and the requirement of the procedure's standards and accuracy.
1. Review and evaluate the recorded images on radiographs for the purpose of identifying proper patient positioning, accurate procedural sequencing, proper radiographic exposure, and other appropriate and pertinent technical qualities.

The Radiologic Technologist must be capable of:

1. Handling stressful situations related to technical and procedural standards and patient care situations.
1. Providing physical and emotional support to the patient during the radiographic procedure(s), being able to respond to situations requiring first aid and providing emergency care to the patient in the absence of, or until the physician arrives.
1. Communicating verbally in an effective manner in order to direct patients during radiographic examinations.
1. Reading and interpreting patient charts and requisitions for radiographic examinations.

Do you have any physical or mental disabilities that would interfere with the satisfactory performance of the TECHNICAL STANDARDS identified above? If yes, please briefly explain.

_____ **Yes** _____ **No**

Prior to enrolling in the Radiologic Technology Program, students are advised to review the applicable licensure procedures and requirements and state laws of the profession to ensure that they are eligible to receive a license following completion of the Radiologic Technology Program at South Suburban College. You may be subject to a criminal background check and/or drug testing. Eligibility for clinical/licensure may be limited by the results of a criminal background investigation.
