

Board of Trustees
South Suburban College
Community College District No. 510
South Holland, IL

Professional standards require that we communicate certain matters to keep you adequately informed about matters related to the financial statement audit that are, in our professional judgment, significant and relevant to your responsibilities in overseeing the financial reporting process. We communicate such matters in this report.

AUDITOR'S RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA

Our responsibility is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. The audit of the financial statements does not relieve you of your responsibilities and does not relieve management of their responsibilities. Refer to our engagement letter with the South Suburban College (the College) for further information on the responsibilities of management and of Crowe LLP.

AUDITOR'S RESPONSIBILITY UNDER GOVERNMENT AUDITING STANDARDS

As part of obtaining reasonable assurance about whether the College's financial statements are free of material misstatement, we performed tests of the College's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts or disclosures. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

PLANNED SCOPE AND TIMING OF THE AUDIT

We are to communicate an overview of the planned scope and timing of the audit. Accordingly, the following matters regarding the planned scope and timing of the audit were discussed with you on May 21, 2018.

- How we proposed to address the significant risks of material misstatement, whether due to fraud or error.
- Our approach to internal control relevant to the audit.
- The concept of materiality in planning and executing the audit, focusing on the factors considered rather than on specific thresholds or amounts.

- Your views and knowledge of matters you consider warrant our attention during the audit, as well as your views on:
 - The allocation of responsibilities between you and management.
 - The College's objectives and strategies, and the related business risks that may result in material misstatements.
 - Significant communications with regulators.
 - Other matters you believe are relevant to the audit of the financial statements.

SIGNIFICANT ACCOUNTING POLICIES AND MANAGEMENT JUDGMENTS AND ACCOUNTING ESTIMATES

Significant Accounting Policies: The Board of Trustees should be informed of the initial selection of and changes in significant accounting policies or their application. Also, the Board should be aware of methods used to account for significant unusual transactions and the effect of significant accounting policies in controversial or emerging areas where there is a lack of authoritative consensus. We believe management has the primary responsibility to inform the Board about such matters. To assist the Board in its oversight role, we also provide the following

Accounting Standard	Impact of Adoption
<p>GASB Statement No. 86, Certain Debt Extinguishment Issues. This Statement was issued to improve consistency in accounting for financial reporting for in-substance defeasance of debt by providing guidance for transactions in which cash and other monetary assets acquired with only existing resources (resources other than the proceeds of refunding debt) are placed in an irrevocable trust for the sole purpose of extinguishing debt. The Statement also improves accounting and financial reporting for prepaid insurance of debt that is extinguished and notes to financial statements for debt that is defeased in substance.</p>	<p>Adoption of this Statement did not have a material impact on the College's financial position or results of operations.</p>
<p>GASB Statement No. 85, Omnibus 2017. This Statement was issued to address practice issues that have been identified during implementation and application of certain GASB Statements.</p>	<p>Adoption of this Statement did not have a material impact on the College's financial position or results of operations.</p>
<p>GASB Statement No. 82, Pension Issues—An Amendment of GASB Statements No. 67, No. 68, and No. 73. This Statement addresses certain issues that have been raised with respect to Statement No. 67, Financial Reporting for Pension Plans, No. 68, Accounting and Financial Reporting for Pensions, and No. 73, Accounting and Financial Reporting for Pensions and Related Assets That Are Not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68.</p>	<p>Adoption of this Statement did not have a material impact on the College's financial position or results of operations.</p>

<p>GASB Statement No. 81, Irrevocable Split-Interest Agreements. This Statement, issued March 2016, improves accounting and financial reporting for irrevocable split-interest agreements by providing recognition and measurement guidance for situations in which a government is a beneficiary of the agreement.</p>	<p>Adoption of this Statement did not have a material impact on the College's financial position or results of operations.</p>
<p>GASB Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits other than Pensions. The primary objective of this Statement is to improve accounting and financial reporting by state and local governments for postemployment benefits other than pensions (other postemployment benefits or OPEB). It also improves information provided by state and local governmental employers about financial support for OPEB that is provided by other entities.</p>	<p>Upon adoption, the College added its collective share of the CCHISF Net OBEB Liability, Deferred Inflows of Resources and Deferred Outflows of Resources to the Statement of Net Position and restated beginning net position as required by the standard.</p>
<p>Significant Unusual Transactions.</p>	<p>With the late passage of the State of Illinois Budget in 2017, funds that the legislature indicated were applicable to the College's fiscal year ended June 30, 2017 were actually applicable to the College's fiscal year 2018 financial statements. The College has added a footnote disclosure to explain this situation and the impact of the College's 2018 financial statements.</p>
<p>Significant Accounting Policies in Controversial or Emerging Areas</p>	<p>No such matters noted.</p>

Management Judgments and Accounting Estimates: Further, accounting estimates are an integral part of the financial statements prepared by management and are based upon management's current judgments. These judgments are based upon knowledge and experience about past and current events and assumptions about future events. Certain estimates are particularly sensitive because of their significance and because of the possibility that future events affecting them may differ markedly from management's current judgments and may be subject to significant change in the near term.

The following describes the significant accounting estimates reflected in the College's year-end financial statements, the process used by management in formulating these particularly sensitive accounting estimates and the primary basis for our conclusions regarding the reasonableness of those estimates.

Significant Accounting Estimate	Process Used by Management	Basis for Our Conclusions
<p>Allowance for Doubtful Accounts and Bad Debt Expense</p>	<p>The allowance for doubtful accounts was determined by management by a process involving consideration of past experiences, current aging information, information from credit reports, contacts with the customers, and other available data including environmental factors such as industry, geographical, economic and political factors.</p>	<p>We tested this accounting estimate by reviewing, on a test basis, the information listed and by testing information in certain customers' credit files.</p>

Fair Values of Investment Securities and Other Financial Instruments	The disclosure of fair values of securities and other financial instruments requires management to use certain assumptions and estimates pertaining to the fair values of its financial assets and financial liabilities.	We tested the propriety of information underlying management's estimates.
Useful Lives of Fixed Assets	Management has determined the economic useful lives of fixed assets based on past history of similar types of assets, future plans as to their use, and other factors that impact their economic value to the College.	We tested the propriety of information underlying management's estimates.
Pension and Postretirement Obligations	Amounts reported for pension and postretirement obligations require management to use estimates that may be subject to significant change in the near term. These estimates are based on projection of the weighted average discount rate, rate of increase in future compensation levels, and weighted average expected long-term rate of return on pension assets.	We reviewed the reasonableness of these estimates and assumptions.

AUDITOR'S JUDGMENTS ABOUT QUALITATIVE ASPECTS OF SIGNIFICANT ACCOUNTING PRACTICES

We are to discuss with you our comments about the following matters related to the College's accounting policies and financial statement disclosures.

- The accounting policies to the particular circumstances of the College, considering the need to balance the cost of providing information with the likely benefit to users of the College's financial statements, are appropriate.
- Overall, the disclosures in the financial statements are neutral, consistent, and clear.
- The effect of the timing of transactions in relation to the period in which they are recorded.
- The effect of the timing of transactions in relation to the period in which they are recorded is appropriate.
- There were no significant risks and exposures, or uncertainties that are disclosed in the financial statements.
- There were no unusual transactions including nonrecurring amounts recognized during the period.
- There were no particularly sensitive financial statement disclosures.
- There were no factors affecting asset and liability carrying values, including the College's basis for determining useful lives assigned to tangible and intangible assets.
- There was no selective correction of misstatements, for example, correcting misstatements with the effect of increasing reported earnings, but not those that have the effect of decreasing reported earnings.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Corrected Misstatements: We are to inform you of material corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no such misstatements.

Uncorrected Misstatements: We are to inform you of uncorrected misstatements that were aggregated by us during the current engagement and pertaining to the latest and prior period(s) presented that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole. For your consideration, we have distinguished misstatements between known misstatements and likely misstatements. There were no such misstatements.

We are providing this letter in connection with your audit of the financial statements of South Suburban Community College – Community College District No. 510 (College) as of June 30, 2018 and for the year then ended for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the respective financial position of the College, and the respective changes in financial position and cash flows, where applicable, in conformity with accounting principles generally accepted in the United States of America.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than \$222,000 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations.
