

2019-20 LEGAL DEPENDENTS (OTHER THAN YOUR CHILDREN OR SPOUSE)

Last Name: _____ First Name: _____ SSC ID: _____

You indicated on your FAFSA that you have other dependents (other than your children or spouse) who live with you and who will receive more than half of their support from you now and through July 30, 2020.

Documentation Required:

- If you claimed dependents (other than your child(ren) or spouse). Attach copy of your 2017 IRS Federal Tax Transcript AND;
- Provide a detailed statement and documentation explaining how you financially support dependent(s) other than your child(ren) or spouse. Attach another sheet if needed.

FAFSA Filing Mistake

- When I filed my FAFSA, I incorrectly answered "YES" to question 52 "Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2020?"

Note: The Financial Aid Office will review your information and determine if your documentation is sufficient to demonstrate support of other dependent(s). If determined that you do not provide more than half of the support for the dependent(s) listed, you will be considered a **dependent** student and will need to update your FAFSA to include your parents' information. For **independent** students who cannot document more than 50% support, the dependents listed will be removed from household size.
