It's Not Too Late to Register for Fall – Late Start Classes Coming to South Suburban College September 16th

SOUTH HOLLAND, IL—Registration for the Fall Semester at South Suburban College is still in progress for a wide range of late start classes. Current and prospective students are encouraged to register soon for a wide range of 12-week courses set to begin the week of September 16th and later.

Prospective students should get started with the Online Application at www.ssc.edu. Becoming a student is simple, and there is still time to apply for Financial Aid and speak with Admissions staff and counselors. Once the application process is complete, new students will receive an SSC email account and a Self-Service username and password which will allow access to student information and class registration. Both interactive and printable Fall Credit Class Schedules are also accessible online from www.ssc.edu.

SSC's Financial Aid Office encourages all students to complete the Free Application for Federal Student Aid (FAFSA) as early as possible at fafsa.gov using institution code 001769. Financial Aid may be utilized for the 12-week credit classes (FAFSA must be completed by September 6th). For help filling out FAFSA, please call (708) 596-2000, extension 5780 or stop by the Financial Aid Office (Room 2355) for assistance.

As a payment alternative, SSC offers the FACTS interest-free payment plan. There is a \$25 non-refundable enrollment fee per semester. Payments may be made from savings, checking, or credit card accounts.

Register soon – space is limited and classes may be subject to change.
