Classes Will be Offered Through Virtual Classroom Model This Summer at South Suburban College

SOUTH HOLLAND, IL– Summer Registration is in progress at South Suburban College (SSC) online from ssc.edu. The 2020 Summer Semester begins the week of Monday, June 1st. Current and prospective students are encouraged to register soon to secure their preferred schedule.

SSC has moved to a Virtual Classroom Model through the summer semester with some exceptions. The summer class schedule is updated weekly online from ssc.edu. The College continues to provide a high level of instruction, support services, and educational resources online and through e-learning technologies.

The summer semester is an excellent opportunity for students to take the next step in their success by customizing a class schedule at a convenient, affordable institution. Future SSC students should get started at admissions.ssc.edu. Once the application process is complete, new students will receive an SSC email account and a Self-Service Username & Password via email which will allow access to student information and class registration.

Current and prospective students can email registration&records@ssc.edu for additional assistance with registration, or email CounselingCenterQuestions@ssc.edu for questions for the SSC Counseling Office. Laptops are available on a limited basis for students enrolling in 2020 Summer and Fall Semesters. Students who are registered and in need of a laptop should send an email to StudentLife@ssc.edu to begin the process.

SSC is a community college located in South Holland, Illinois serving 21 communities including parts of the Chicago Southland and northwest Indiana. SSC provides a variety of support services and leadership opportunities to its students in addition to a wide range of affordable academic programs.
