Uploading your Photo

We cannot wait to incorporate your photos into Virtual Commencement. The portal is live and ready to receive a vertical photo of you in your cap and gown. We suggest natural lighting, a simple background, and a waist or shoulders-up shot so we can focus on your face. For best results, download the photo from your phone to a laptop first, and choose "large" when downloading, rather than "small," "medium," or "actual size."

Once you receive your cap & gown, go to ssc.gradpak.com to upload your photo by 11:59 p.m. on June. 28th

INSTRUCTIONS:

1.   Go to ssc.GradPak.com and click on "virtual graduation."

•   Natural lighting and a simple background work best.

•   Wear your cap and gown.

•   High-res digital photo (JPG) from a smartphone works well.
