Technology Relief Fund

SSC Technology Relief Fund resources are allocated to students who have been impacted by the COVID-19 pandemic and need additional resources to engage in remote learning. Resources are designated on a case-by-case basis through the Division of Student and Enrollment Services at South Suburban College. Resources allocated under this funding include laptops, digital text books, course fees, course software, internet access and other resources necessary to successfully complete courses in a virtual learning environment.

Catalogs

What is I-Share?

I-Share is a universal borrowing system for the state of Illinois. It is a free service offered to South Suburban College students, faculty and staff through our online catalog system. SSC users can obtain print materials from other I-Share libraries by placing a request via our online catalog or by visiting an I-Share library. The lending library determines the length of the check-out period and what items are allowed for loan. Materials held in any library's reference collection or other special collections are usually not loaned. I-Share provides the opportunity to borrow an item.

When should I use I-Share?

Use I-Share when South Suburban College Library does not own, or has already loaned, a book or a media item you require.

How do I request an item using I-Share?

I-Share items can be requested through the Library's online catalog. Most items will arrive in 2-4 business days.

What if I lose an I-Share item?

I-Share privileges will be suspended until the item is replaced or lost item fees are paid to the lending library. Lost I-Share items will also suspend South Suburban College borrowing privileges.
