Hello Everyone,

Dr. Eric Myers has made a "How to Study Science" seminar as part of our Fall 2020 Academic Survival Skills Sessions. It contains great strategies and study tips for anyone taking a Biology, Chemistry, or any science class at SSC. Check it out at the link below!

This is the Brainfuse whiteboard. This is where you and your tutor will communicate and work.

The first tool on the left is the drawing tool. You can use it to draw on the whiteboard.

The second tool is the editing tool. You can use it to grab drawings you have made on the whiteboard and move them.

This is the eraser. Use it to erase anything on the board.

Click on the "T" to access the text menu. It allows you to change the font, type in symbols, equations, and more.

Click on the "fx" to access the equation editor. A box will pop up.

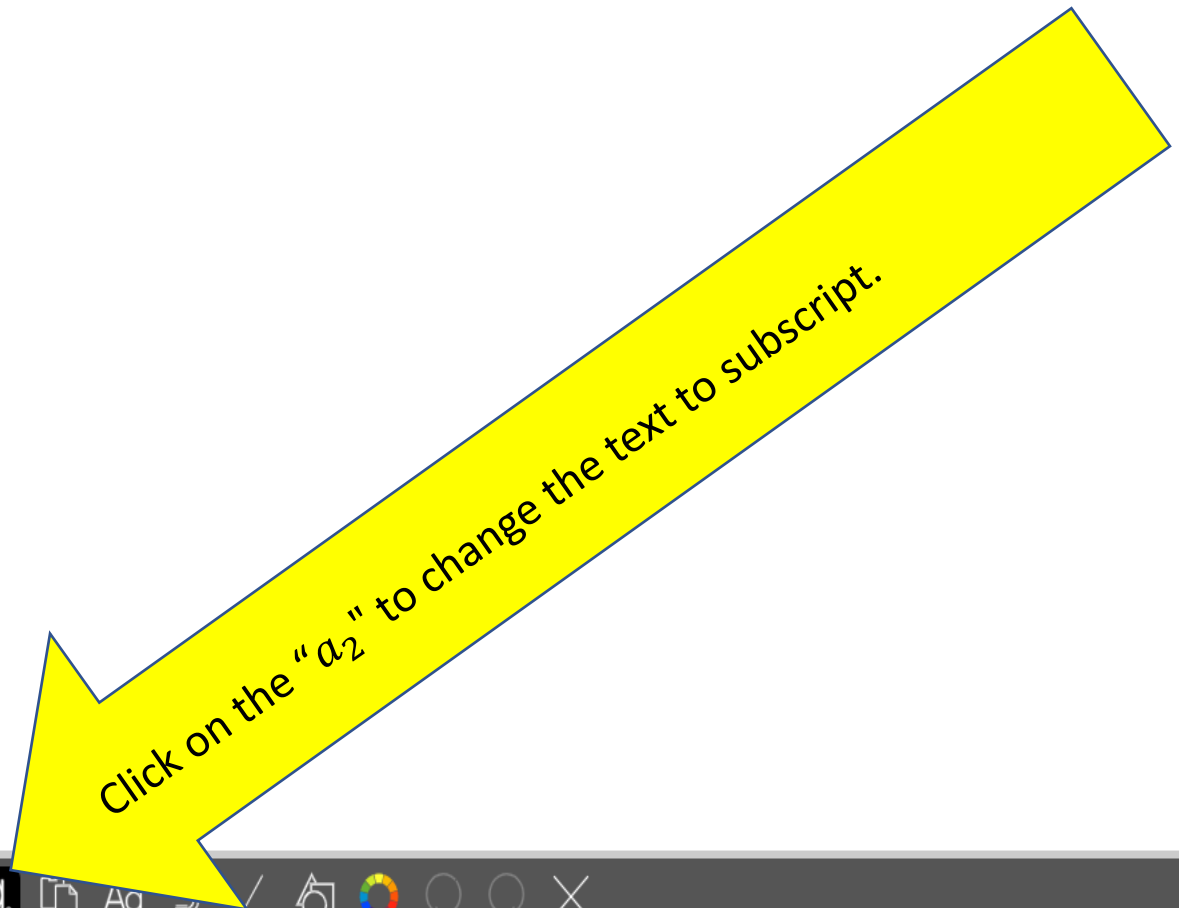

This is the equation editor. Use the options below to type your desired equation. Click the checkmark when you are finished.
