

Cannabis Dispensary Operations Certificate Program

South Suburban College is offering a Cannabis Dispensary Operations Certificate Program starting Fall 2021.

The first class is **CBN 101-Introduction to Cannabis 101**. (You don't need to be in the program to take this fun and informative class). This is an 8-week online class that does not require a textbook.

The course begins with the biology of the Cannabis plant and continues to cultural, historical, and medical uses of Cannabis.

The class will be primarily student-driven, meaning students will pick and discuss specific parts of these topics. We will also discuss other subjects, such as the legal status of Cannabis in IL.

The more diverse and experienced the students are, the better this class will be.

Register at ssc.edu. Class starts 8/16/21.

This is Success.

Cannabis Dispensary Operations Certificate Program

South Suburban College is offering a Cannabis Dispensary Operations Certificate Program starting Fall 2021.

The first class is Introduction to Cannabis 101. (You don't need to be in the program to take this fun and informative class). This is an 8-week online class that does not require a textbook.

Register at ssc.edu. Class starts 8/16/21.

Illinois and many other states have made changes on the legality of Cannabis use. These changes have allowed for a developing industry of legal cannabis companies to operate in IL, which allows for new jobs and business opportunities. This type of economic development should continue to grow for many years.

South Suburban College is offering a Cannabis Dispensary Operations Certificate Program to assist people to successfully enter this new economic niche. The 18 credit hour (two semester certificate) will allow graduates to create new businesses and market themselves to existing businesses.

Semester One		Credits
CNB 101	Introduction to Cannabis	2
CNB 102	Dispensary Operations	2
BUS 108	Introduction to Business	3
MIS 101	Computer Literacy & Applications	3
CNB 103	Cannabis Law	2
Semester Two		Credits
ACC 130	Computerized Accounting	3
CNB 110	Science of Cannabis (Biology and Pharmacology)	3

This is Success.
