South Suburban College to Host Virtual Q&A Sessions Next Week for Future Students

SOUTH HOLLAND, IL—South Suburban College (SSC) continues its efforts to provide flexibility to college degree seekers interrupted by the pandemic with a wide range of online and in-person class options, as well as significant tuition and technology supports. Current and prospective students can learn more about the all of the advantages of becoming an SSC Bulldog at two Virtual Q&A Sessions next week on December 1 at 6 p.m. and December 2 and 12 noon. Faculty and staff will be available through Zoom to address a wide range of topics and answer questions about registration, financial assistance, programs, facilities and much more. Visit www.ssc.edu/info for access to the Virtual Q&A Sessions.

Spring Registration is now in progress online from ssc.edu. The 2021 Spring Semester begins the week of Monday, January 10, 2022. All current and prospective students are encouraged to register early to secure grant opportunities, their preferred course schedule and mode of classes delivery.

The New Year is an excellent opportunity for students to take a giant step in their success by customizing a class schedule at high quality and supportive institution. New SSC students should get started with the Online Application from ssc.edu. Once the application process is complete, new students will receive an SSC email account and a [Self Service](#) Username & Password via email which will allow access to student information and class registration.

SSC is a community college located in South Holland, Illinois serving 21 communities including parts of the Chicago Southland and northwest Indiana. SSC provides a variety of support services and leadership opportunities to its students in addition to a wide range of affordable academic programs.
