‡Course meets the Human Diversity graduation requirement.

Students earning an Associate degree must meet the requirement for coursework on improving human relations as defined in Public Act 87-581.

The Associate of Art (AA) degree certifies that the student completed all the General Education Core credits and electives required. Full-time counseling faculty are available to students by appointment, or on a walk-in basis, to help students draw up their Master Academic Plan detailing the courses the student should successfully complete to satisfy the requirements for this degree.
