

South Suburban College's Courses for Young Learners

The college is now offering five-week courses. The materials covered in the sessions do not repeat but enhance your child's learning method of review and introduction of new course materials. All of our instructors are certified teachers who are looking forward to adding to your child's development.

Most of the classes require a minimum of five students and some classes to have a maximum limit. All registration is on a "first-come, first-served" basis. We ask that students enroll at least one week before the start of class.

PARENT ALERT!!!

Parents or Guardians are expected to walk their children to the classroom and to meet them there five minutes before the end of the class. Children are not to walk the campus unaccompanied by an adult. Tuesday, July 4, 2022, the campus will be closed for the holiday.
