## ***Are you interested in:***

- ✓ ***Giving back this year?***
- ✓ ***Improving your resume?***
- ✓ ***Helping your community?***

## **BECOME A VOLUNTEER TUTOR!**

South Suburban College's Adult Volunteer Literacy Program is an all-volunteer program that tutors adult education students and community members in basic literacy. We work closely with the local libraries in order to facilitate our program in many locations, making it readily accessible and convenient for all community members.

### ***What can being a volunteer do for you?***

- ✓ ***One free professional development hour through our program in Adult Education, Reading, Writing, and many other subjects.***
- ✓ ***A recommendation letter for any job, scholarship, or school you may be interested in attending.***
- ✓ ***Open the doors to other great opportunities.***
