

COLLEGE FOR KIDS

June 24 to July 25, 2024

The college is now offering five-week courses. The materials covered in the sessions do not repeat but enhance your child's learning method of reviewing and introducing new course materials. All of our instructors are certified teachers who are looking forward to adding to your child's development.

Most classes require a minimum of five students, and some have a maximum limit. Registration is on a "first-come, first-serve" basis. We ask that students enroll at least one week before the start of class.

For more information please call
(708) 596-2000, Ext. 2231 or 5723

Academic Enrichment

KFK C75—Jam Session (5 Week session)

Fee: \$299

This summer enrichment program will provide students with an all-day academics and fun time. Starting with a review of instructional basic math at the student's grade level. In addition to reading, and writing, the students will enjoy a variety of other stimulating activities such as Spanish and Art. Students must bring their lunch each day. The instructor will supervise students in the lunchroom for 30 minutes.

KFK C75 701	9:00-3:00p	M/W	MA-3153	Grade 2-3	6/24-7/24

KFK C44—Reading Refresher

Fee: \$79

This course is designed for students reading one to two years below grade level. Students will explore various reading strategies to improve vocabulary and comprehension. This will include understanding story themes, main ideas, and summarization skills. Vocabulary will consist of looking up and defining words, and creating sentences, paragraphs, or short stories using the words. Emphasis will be on building critical thinking skills through the use of worksheets, oral discussions, and written assignments. Students will work in groups with others performing at about the same grade level.

KFK C44 701	9:00-10:30a	M/W	MA-3240	Grade: 2-3	6/24-7/24
KFK C44 702	10:45-12:15p	M/W	MA-3240	Grade: 4-5	6/24-7/24
KFK C44 703	12:30-2:00p	M/W	MA-3240	Grade: 6-7	6/24-7/24

KFK C45—Math Refresher

Fee: \$79

This course is designed for students working one to two years below grade level. These sessions will consist of review and instruction of basic arithmetic skills for student's grade level. Conceptual as well as computational skills will be emphasized. Students will work in groups with others performing at about the same grade level.

KFK C45 701	9:00-10:30a	T/TH	MA-3238	Grade: 2-3	6/25-7/25
KFK C45 702	10:45-12:15a	T/TH	MA-3238	Grade: 4-5	6/25-7/25
KFK C45 703	12:30-2:00p	T/TH	MA-3238	Grade: 6-7	6/25-7/25

KFK C98—Pre-Algebra

Fee: \$79

Pre-Algebra is designed to prepare students for Algebra. Topics included a review of math operations and mathematical principles, signed numbers, exponents, and solving equations.

KFK C98 701	1:00-2:30p	T/TH	MA-3365	Grade: 5-6	6/25-7/25
KFK C98 702	2:45-4:15p	T/TH	MA-3365	Grade: 7-8	6/25-7/25

KFK C46—Conversational Spanish I

Fee: \$79 (Ages 9 to 13)

This introduction Spanish course for young people is a great way for students to take part in a unique cultural experience that will help them learn the Spanish language. Through a variety of activities and games incorporated into this creative program, students will learn simple greetings, numbers, time, courtesy phrases, and basic words. Simple grammatical structures and pronunciation use will be shown.

PARENT ALERT!!!

Parents or guardians are expected to walk their children to the classroom and meet them there five minutes before the end of the class. Children are not to walk the campus unaccompanied by an adult. Thursday, July 4, 2024, the campus will be closed.

Academic Enrichment (High School Students Non-Credit Classes)

KFK C29—Well-Written Essays

Fee: \$79 (Ages 14 to 16)

How do I start? Why doesn't it say what I thought? Writing essays can be an art and drawing stick figures will not pass. Learn the requirements for a well-written essay and the steps needed to succeed. This course will cover the topics you need beginning with pre-writing and finishing with publishing.

KFK C29 701 12:00-1:30p W MA-3252 Staff 6/26-7/24

KFK C48—Introduction to Algebra

Fee: \$79 (Ages 14 to 18)

Students will study a variety of topics in the course. Linear equations in one variable will be a focus. Equation-solving and Problem-Solving will be the primary goals using equations with positive and negative numbers, parentheses, proportions, and variables on both sides of the equal sign. The Distributive Property will be given a major focus. Polynomials will be studied with an emphasis on factoring for the solutions of quadratic equations and manipulation.

KFK C48 701 10:15-11:45p W MA-3252 Staff 6/26-7/24

KFK C98—Pre-Algebra/Geometry I

Fee: \$79 (Ages 14 to 18)

Students will master algebraic expressions, radicals, and coordinates while investigating geometric ideas and relationships. A project-centered approach uses algebraic equations to solve simple geometry problems.

KFK C98 703 1:45-3:15p W MA-3252 Staff 6/26-7/24
