South Suburban College Launches Recycling Warehouse Workforce Training Program

South Holland, IL - South Suburban College (SSC) in partnership with Calumet Area Industrial Commission (CAIC) is opening doors to opportunity this summer with its Recycling Warehouse Workforce Training Program, a six-week, hands-on experience designed to prepare participants for careers in high-demand industrial and environmental fields.

Running June 1 through July 14 from 9:00 a.m. to 1:00 p.m., this innovative program blends classroom learning with practical, job-ready skills inside SSC's working warehouse environment.

Participants won't just learn, they'll leave with industry-recognized credentials, including an OSHA 10 card and forklift certification, along with career pathway foundational skills that position them for immediate employment opportunities.

To remove barriers and set participants up for success, SSC provides:

- **A laptop computer**
- **Work boots**
- **Transportation assistance** (gas cards or bus cards)

Open Enrollment Dates are May 12, 20, & 21. Open enrollment will be held at the SSC Warehouse: 350 W. Armory Dr., South Holland, IL 60473.

Eligibility

Applicants must be **18 years old by July 14, 2026**.
