MUS E95–Ear Training III

Tuition is \$58 Fee \$54

This is a college credit class with limited seating for non-credit students. The minimum age recommended for the class is 18.

First aural skills course for all music majors in the four-semester sequence. This course is also known as an applied music theory course, in which students apply what they learn in music theory to ear training and sight singing. It consists of two essential parts: singing and writing. The first portion contains various singing exercises that help students improve their proficiency in tonal retention, visual recognition and tonal reference, and vertical perception. The drills include tonicization patterns, intervals, tonal indexing, memorized melodies, dyadic and harmonic progression. Techniques of sight-singing will also be taught. The second part addresses the speedwriting of memorized melodies and the dictation of interval, rhythm, melody, and harmony.
